DISCLAIMER		

*Subject to Availability. Client understands there are a number of operational and regulatory concerns that require review and coordination by the SCLAA. The SCLAA can only assume that circumstances will not cause an operational impasse and will try to avail Airport property for the event. Otherwise, the SCLAA may not be able to accommodate the Client. In addition, Client understands that these fees are estimates that are subject to modification, by SCLAA and the City of Victorville, as necessary. The SCLAA possesses full authority to approve or disapprove any equipment the Client's may desire using for the subject project, and at any time. Upon review by the SCLAA, equipment may be disallowed and deemed inappropriate for the project.
